Maximum Marks	4 Marks

Brainstorm & Idea Prioritization Template:

Brainstorming provides a free and open environment that encourages everyone within a team to participate in the creative thinking process that leads to problem-solving. Prioritizing volume over value, out-of-the-box ideas are welcome and built upon, and all participants are encouraged to collaborate, helping each other develop a rich amount of creative solutions.

Step-1: Team Gathering, Collaboration and Select the Problem Statement

The screenshot shows a Mural workspace titled "SHOPEZ : Stock Trading & Investment Platform". The main heading is "SHOPEZ IDEATION SESSION" with the subtitle "Phase: Step 1 - Problem Definition".

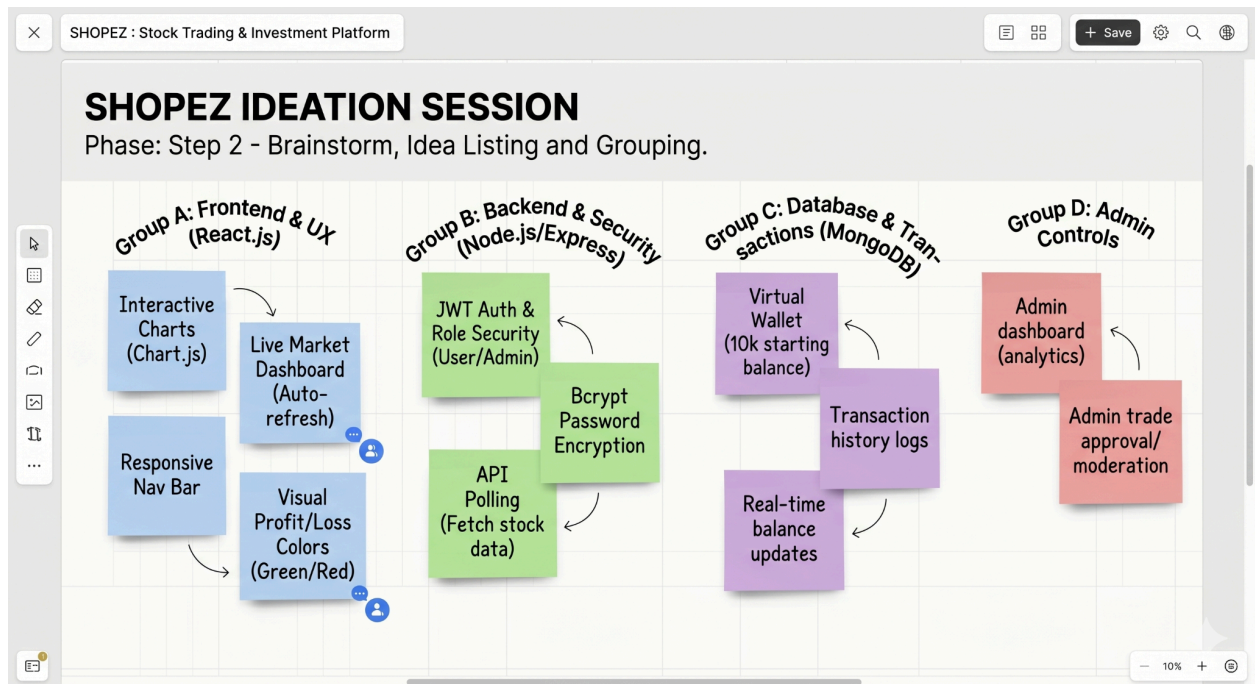

On the left, a "TEAM GATHERING" box contains four team members: Alex (Lead), Ben (Backend), Sarah (Frontend), and Mike (DBA). To the right of the team box is a blue circle labeled "A" with the text "Collaborators".

In the center, a large green sticky note reads: "HOW MIGHT WE... 'How might we build a secure, real-time MERN stack platform that allows users to seamlessly explore stocks, execute simulated trades, and visualize their portfolio performance, while providing admins with robust moderation tools?'"

On the right, a blue circle labeled "B" with the text "Problem Statement" is positioned next to the green note. To the right of "B" is a yellow sticky note that says "Virtual Balance Needed". Below "B" is another yellow sticky note that says "Secure JWT Auth". At the bottom right, there is a yellow sticky note that says "Pnsurer Data Ideas".

The workspace also features a top bar with a "Save" button and a search icon, and a bottom bar with a zoom level of "10%".

Step-2: Brainstorm, Idea Listing and Grouping

Step-3: Idea Prioritization
